Dear Doctor Press,

We gratefully acknowledge the time and dedication given and the expense you have incurred in your efforts to help our athletes, at the Winter Olympic Games, in Albertville, France. Please feel free to use the symbol of the Soviet Sports Committee with the Olympic Rings on your stationery, cards or other professional literature, in conjunction with the words, "Chief Physician, USSR Olympic Team 1992", as you see fit.

Sincerely,

Nicolai Ivanovich RUSAK, Chairman
